

Coupon Offer Withdrawn

Pharmavite LLC. has withdrawn the \$3.00 and \$5.00 off any Nature Made coupons that were distributed exclusively in Walgreens' "Diabetes & You" magazine and associated website for Nature Made products sold at Walgreens stores. Pharmavite LLC is taking this action due to unauthorized coupon redemptions at other retailers; the unauthorized transfer of coupons; and the unauthorized reproduction of the coupons on certain websites.

Retailers should not accept these coupons under any circumstances.

Pharmavite LLC has notified its trading partners that it will not reimburse retailers for these coupons redeemed after December 29, 2013, and has requested retailers' assistance and cooperation on this matter.

This public service announcement has been provided by Pharmavite LLC and by The Coupon Information Corporation, a not-for-profit organization dedicated to enhancing the integrity of the coupon redemption process.
